

Arbor-Chainsaw Chaps - Green

R7090

Details

Strong 420 Denier Nylon fabric Prochaps offer protection where most injuries occur. "Prolar" fabric immediately unravels upon chainsaw contact, clogging the sprocket, which stops the chainsaw before cutting through the inner layers of fabric. Waterproof, windproof and oil resistant. Easy on, easy off apron-style design with two sets of leg straps and buckles. Double front pocket. Universal size with three sets of belt loops allow length adjustment from 33" to 36". Hunter green.

- Protects where most chain saw injuries occur
- Prolar fabric unravels upon contact with chainsaw
- Apron-style design
- Three sets of belt loops
- Waterproof, windproof & oil resistant
- Adjustable length from 33 - 36"
