

# Kochek Big Water Kelp Extract Wetting Agent Pellets - CS/12

RG900BWP-P3

## Details

Big Water Kelp extract is a complete turf enhancement system in pellet form. This product offers the double benefit of a wetting agent along with nutrients that support a healthy root system. Eliminates the capillary effect. The synergy of effectiveness is unmatched by other products. Use in Kochek Standard or Deluxe Pellet Applicators. Biodegradable. Case/12.
