

# Proturf Lute Rake, 24"

RP56923

## Details

This especially designed lightweight lute rake is engineered with an aluminum head with serrated teeth ideal for spreading gravel or grading soil. Designed with a solid aluminum plug in the head-to-handle conversion, unlike the plastic or wooden heads used in other brands. Constructed with wrap-around bracing head design and 66" powder-coated aluminum handle.

- Lightweight lute rake ideal for spreading gravel or grading soil
- Aluminum head with serrated teeth
- Solid aluminum plug in the head-to-handle conversion
- Wrap around bracing head design for strength
