

# Bottom Flagstick Ferrule - Cast Zinc Press-On

R319

## Details

Die cast zinc ferrule with external grooved design is precision engineered to fit our cup for a tighter, straighter fit. Unique internal ribs allow you to replace ferrules without the need of glue. The ribs will automatically "seat" with grip-tight performance. Fits standard or tournament poles.

- Die-cast nickel plated, chrome fluted ferrules
- Ferrules engineered for straight fit
- Internal groove design allows replacement without glue
